UNIQUE DOORS & WINDOWS WITH STYLE

METRO STEEL

METRO STEEL

DOORS

“Be an opener of doors.”

Ralph Waldo Emerson

METRO STEEL

Anatomy of our Design

High-end maintenance-free hinges

Artistic, removable steel stops for glass installation and/or replacement

Our hot steel muntin and cross bars are narrow profile for a minimalistic design style

Zinc-coated steel has a baked finish

Arrive on job site ready for installation

THE SLEEK LOOK OF METRO STEEL TRANSFORMS LIVING ENVIRONMENTS INTO A FUSION OF CONTEMPORARY & URBAN DESIGN.

Metro Steel Doors and Windows are the custom solution to bring your unique, modern style to light. The ultra-low profiles are the premier choice for architects and builders looking to create a clean, contemporary environment. We call it the fine art of blending materials and bending light. Our finely crafted products are energy efficient, too, so you never have to give up function for flare.

METRO STEEL

WINDOWS

“The wall around the window
does not create two worlds.”

Henri Matisse

METRO STEEL

WINDOWS

METRO STEEL GLASS

“Happiness often sneaks in through a door
you didn’t know you left open.”

John Barrymore

Low-E Glass

Metro Steel doors and windows are prepared for 5/8” dual pane glass and can be customized for other sizes. All our doors and windows are ready to be field glazed by your local glass supplier. Metro Steel also offers in-house glazing of glass on some jobs for that extra white-glove treatment.

5/8” Thickness Overall

1/4” and 1/2” Trim Bead Available

Metro Series 200 Offers Outside Glazing.
