

IRON DOOR PLUS

METRO SERIES

Iron Doors Plus ® Limited Warranty

November 1, 2013

ITZ Iron Doors LLC Dba: Iron Doors Plus warrants its Metro Series steel doors, to be free from defect in material and workmanship (excluding finish) for a period of (7) years from the date of shipment from the Iron Doors Plus (“Shipment Date”) and will repair or replace any defective product or parts at Iron Doors Plus., sole discretion. Iron Doors Plus, warrants factory-applied product finish to be free from defect for a period of FIVE (5) years from the date of installation to the user and will repair at Iron Doors Plus sole discretion.

Iron Doors Plus “Metro Series” products are handcrafted and therefore, there will be variances in the design, finish and overall appearance. Some designs may necessitate slight variances to ensure structural integrity. Design elements may be modified dictated the by size of the door, window gate, insert or railing built by Iron Doors Plus. Imperfections, variations or discoloration are not considered to be a defect, but rather a normal process considered to be part of the charm and uniqueness of a custom fabricated steel product.

The insulated glass is warranted for seal failure for a period of ten (10) years. The Warranty does not cover glass breakage, glass color, bent glass, decorative/art type glass, distortion, minor glass imperfections that do not affect the normal vision or product performance and the imperfection shall not be detectable at a distance great than 15 feet. Any other failure or operating difficulties due to accident, abuse, misuse, alteration, misapplication, exposure to elements when the glass has not been installed by Iron Doors Plus, improper or insufficient handle, storage, installation, maintenance or service. Handle with clean gloves, and do not drag doors/windows across one another or across other surfaces. Any glass changed out may or may not be available in the market at that time however the best comparable and suitable match will be installed. The glass will be supplied to the homeowner for their installation or installers.

Iron Doors Plus ® Limited Warranty

FINISH MAINTENACE INSTRUCTIONS

1. The General Contractor/and or Owner shall be responsible for protecting the windows and related material during storage on the job and during and after installation.
2. The General Contractor/and or Owner shall be responsible for the final cleaning of the windows and related materials.
3. Touch-up any abraded surface of the window/door finish with an air dry paint furnished by Iron Doors Plus to match factory applied finish before Substantial product degradation occurs.

INSTALLATION

1. All windows and doors shall be installed into openings prepared by others in accordance with the final approved shop drawings. Prior to installation, all opening shall be inspected by the Installer to verify opening are square and have been prepared to sizes and details in the approved drawings. Windows shall not be installed into any opening until the conditions are correct.
2. Set all windows and doors plumb, level, true without warp or rack of frames or ventilators.
3. Anchor units securely to surrounding construction with approved fasteners.
4. Pack fibrous insulation in shim spaces at perimeter of assembly to maintain continuity of thermal barrier.
5. Attach ventilator hardware, as required, and adjust ventilators to operate smoothly free from twist and to be weather tight when closed and latched.
